Keeping the Shelf Full

What customers reach for, and how to stop running out.

DRAFT · FULL VERSION COMING SOON

Placeholder preview

This is a layout preview of the *Keeping the Shelf Full* white paper. The final version is being written and will replace this file before the public release. Expect 10 to 14 pages of practical, operator-focused content drawn from 15 years of back-office work with independent gas station and c-store owners across North America.
